

HALSTEAD

ELEVATION 1

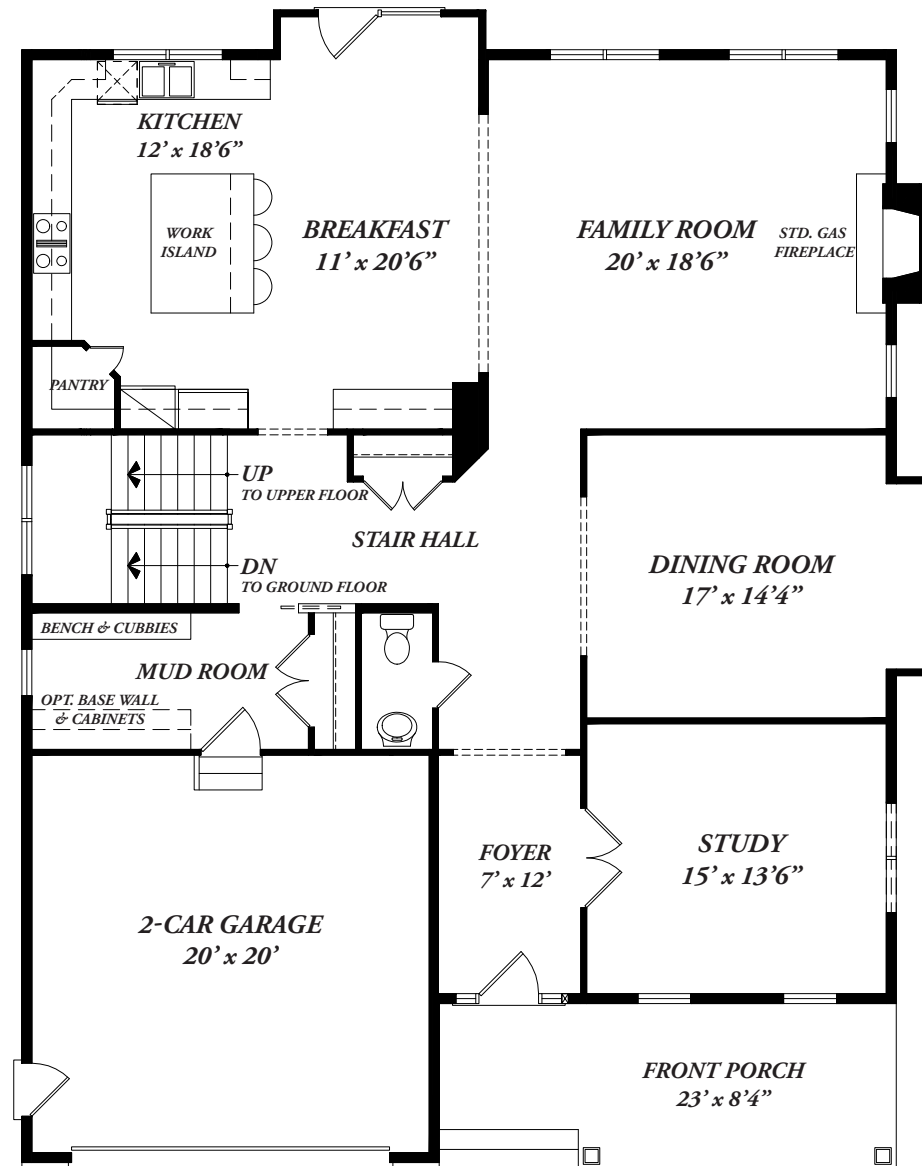

A WELCOMING AND TOTALLY LIVABLE DESIGN FOR LARGER FAMILIES.

One of our newest plans, THE HALSTEAD features an attractive Hardie Plank and stone exterior with wide front porch to visit with family and friends. The foyer opens to a private study, separate dining room and family room with gas fireplace and plenty of windows providing a light-filled space. A gourmet-appointed kitchen holds a large work island perfect for entertaining and space for informal dining. Upstairs a large master bedroom has coffered ceiling, his/her walk-in closets and luxurious bath with soaking tub, separate vanities, walk-in shower with upgraded tile throughout. Three secondary bedrooms all feature walk-in closets and private baths. Your second floor laundry room is convenient to all bedrooms. The lower level offers a recreation room with optional gas fireplace, a fifth bedroom with full bath and an optional exercise space or wet bar.
